Philippe Garin, Chief Financial Officer of the Clariane Group, comments: *"Since joining the Group's Finance Department, Sarah Mingham has demonstrated her financial expertise in the face of a situation made critical by the crisis in the sector and the international financial crisis. Her experience in financing and her committed approach to Socially Responsible Investment (SRI) have enabled us to find innovative financial solutions that are fully aligned with the company's strategy. With the arrival of Stéphane Bisseuil, who shares a wealth of experience in investor relations, the Finance Department is perfectly structured to meet the ambitious objectives that the Group has set itself."*
